WLS TKD Social Media Policy

Social media (including personal and professional websites, blogs, chat rooms and bulletin boards; social networks, such as Facebook, LinkedIn, Twitter and Instagram; video-sharing sites such as YouTube) are a common means of communication and self-expression.

It's essential that all WLS TKD instructors, staff members, student members and parents/carers make informed decisions about how they use the internet, mobile phone and email communications to protect our club and our members.

Everyone involved in our club has the responsibility to safeguard both during lessons and events and outside of training areas, including communications.

It is the responsibility of all to;

- Refrain from publishing comments about other clubs, members or instructors and any controversial or potentially inflammatory subjects.
- Avoid hostile or harassing communications in any posts or other online communications. Harassment is any offensive conduct based on a person's race, sex, gender identity, national origin, colour, disability, age sexual orientation, veteran status, marital status, religion or any other status protected by law.
- WLS TKD will identify all copyrighted or borrowed material with citations and links. When publishing direct paraphrased quotes, thoughts, ideas, photos or videos, give credit to the original publisher or author.
- WLS TKD will be responsible for reviewing responses to online posts and resolving any concerns before they are posted.
- If a blogger or any other online participant posts an inaccurate, accessory or negative comment about WLS TKD or anyone associated with WLS TKD, do not reply but seek advice from WLS TKD or Sport England.
